

MOTION BY SUPERVISOR DON KNABE

August 8, 2006

Amendment to Item 39

The Registrar-Recorder/County Clerk has appointed a new Chief Deputy and Assistant Registrar-Recorder/County and is requesting approval for relocation expenses for each of these appointments, pursuant to County Code Section 5.40.338, which states “*Any person appointed to a full-time position by the County of Los Angeles may be reimbursed for relocation expenses subject to conditions approved by the Board of Supervisors.*”

I, THEREFORE, MOVE that the Board of Supervisors approve the relocation expenses, including moving company expenses; one-way travel expenses for the employee and their family to travel to the Los Angeles area; and temporary housing expenses of \$7,000 for each of these two positions on the condition that each of these persons agrees that if they voluntarily leave Los Angeles County employment before the third anniversary of their appointment date, that person agrees to reimburse Los Angeles County on a proportional basis. The agreement shall provide that the relocation expenses shall be deemed a loan with the repayment of one third (1/3) of the loan forgiven after each completed year of service, or a proportion thereof if a full year is not served by the person.
